July Meeting

Great weather was in store for those who attended.

President Holbrook provided a short but sweet beginning to the meeting.

A descriptive tale was told by **Bill** for the Treasurers report.

Flat Turn Bob took the floor to send a gracious thanks to **JR Senez, Eric Larson, Alex Popp, and Bill Polhamus** for their assistance with the Cub Scout event held last month.

The membership voted in **John Hill** to the club. Welcome!

Loren took Model of the month with a kit Goldberg 60 size Super Chipmunk . using an O.S. .61, Futaba,

3151 servos. The plane is for sale as well. He beat out **Don Holmes** who had a P40 Flying Tiger ARF. **Loren** took a club hat for his prize.

We are deep into summer heading toward fall, members are still needed to come to the field on Saturday mornings, or anytime to assist in mowing the pit area and trimming surrounding areas. Thanks to those that do this; you make all of our flying time much nicer.

YOU KNOW YOU ARE LIVING IN 2011 when...

1. You accidentally enter your PIN on the microwave.
2. You haven't played solitaire with real cards in years.
3. You have a list of 15 phone numbers to reach your family of three.
4. You e-mail the person who works at the desk next to you.
5. Your reason for not staying in touch with friends and family is that they don't have e-mail addresses.
6. You pull up in your own driveway and use your cell phone to see if anyone is home to help you carry in the groceries.
7. Every commercial on television has a web site at the bottom of the screen.
8. Leaving the house without your cell phone, which you didn't even have the first 20 or 30 (or 60) years of your life, is now a cause for panic and you turn around to go and get it.
10. You get up in the morning and go on line before getting your coffee.
11. You start tilting your head sideways to smile. :)
12. You're reading this and nodding and laughing.
14. You are too busy to notice there was no #9 on this list.
15. You actually scrolled back up to check that there wasn't a #9 on this list.
