December 2011

Pearl Harbor Day

Earl held a completely enjoyable day of contests and food. He made a huge pot of “Hobo Stew.” Everyone commented how good it was. **Earl** said it was water, cabbage, carrots, potatoes and 9 different spices slow cooked for 12 hours. I loved it and took home the leftover 10 quarts and froze them.

Earl held three contests, 1) Pylon Race, 2) Combat and 3) Carrier landing. The Pylon Race had three participants. They took off and almost immediately two of them had a mid air and crashed. So, without completing one lap, **Flat Turn Bob Sauer** won the race. Combat also had three

planes involved. **Don Holmes** won that battle. Finally the Carrier landing was won by **Jerry Kasmer**. He actually landed on the painted carrier twice. Each winner was awarded the union rate prize of \$5, which each one donated to the food donation box. The grill was manned by **CEJ and Bill Polhamus**. The ratio of hot dogs to hot dog rolls was exactly equal. When the dogs ran out.... so did the rolls. That’s never happened before. Everyone went away satisfied, except **Harold Bledsoe** who came late to the party. The cost on the day was \$65. **Earl** contributed \$25 and the donation box had \$80 in it. We actually made money (\$40). Good Job **Earl!** [bill polhamus]

AMA

If you haven’t renewed your AMA membership, you cannot fly at Bird Field.....

WRAM SHOW

<http://www.wram.org/wramshow.html>

February 24 – 26, 2013
[Meadowlands Exposition Center, 355 Plaza Drive, Secaucus NJ 07094](#)

RCMB is running a bus to the event. A few of our members have booked seats.

<http://www.rcmb.org/>
RCMB Bus Trip to 44th Annual WRAM Show

The WRAM Show this year will be held at the Meadowlands Exposition Center in Secaucus, New Jersey. The bus trip is planned for Saturday, February 25, 2012. The bus will leave at 7 a.m. on Feb. 25 from the Deerco Park and Ride (behind the

Timonium Fairground). Anyone who wants to be picked up at the Mountain Road "Park and Ride" on the way should please let Jerry know.

The price for the bus is \$33 and admission to the WRAM Show is \$12, so the total for both is \$45. Please **make all checks payable to RCMB**. Jerry will discuss the trip and accept checks at 3 Brittany Ct., Owings Mills, MD 21117. Your check is your reservation.

A Word on Dues

If you want to pay dues by March Meeting you will be put into an "Early Bird Drawing" for \$200 to be used on RC equipment. They aren't due anytime soon, but a number of members like to pay their dues when they re-new their AMA.

For dues see **Bill Polhamus** at the meeting or mail a check with **Self Addressed Stamped Envelope** to Bill at 8 Ranger Ct.

Baltimore MD 21234

Dues -\$50

61 years or over -\$40

65 years or over -\$20 (after 5 years of membership).

Membership Raffle

The membership raffle prize was **\$20** since it was won last month and this is the start of a new one. The name drawn was **Gary Becker**. Gary wasn't at the meeting, so the pot will continue to grow.

For those unsure how it works: You contribute \$1 at the meeting and put your name in the book for that evening's drawing. Everyone in the club is in the raffle "hat." A name is drawn, from the "hat." If it's your name and you have your name in the book for that meeting, you win 80% of the pot. If the person drawn isn't at the meeting or did not contribute the \$1 for that meeting, the pot is held over till the next meeting and continues to grow.

November Raffle

Electrifly YAK 54

Gary Likens WON!

December Raffle

Aeroworks Electric BD-5 ARF with pusher prop

**\$2 each or 6 for \$5
See CEJ for tickets**

DON'T FORGET !!

We still have the .60 SIZE LIBERTY SPORT FOR DECEMBER RAFFLE. It was built from a SIG kit. It has 57" wing span, can be set up as electric or glow .45 to .60cc size engines. Metal geared wing servos and push rods installed. Building plans and instruction book is included. This will go at the December Mtg.

Board Member Officer Elections

this month. We're a month behind getting this done. Be at the meeting to nominate and vote and run and take office and take over. The perfect Christmas gift.

Winter Indoor Flying

Randy Kleinert has unofficially taken on the role as liaison with the Honeygo Rec Center and has been advising Bill P of the dates open for flying. Lately it's been on Sundays between 1:30 and 4:30PM. Bill P sends emails confirming the date and times.

Honeygo Rec Center is located at 9033 Honeygo Blvd. It's about a mile north of White Marsh Blvd (Rt 43) and traveling north, it's on the right.

Welcome to new applying member:

Brian Morris

FAA Corner

We are now just weeks away from the release of the FAA Notice of Proposed Rulemaking (NPRM) for small Unmanned Aircraft Systems (sUAS) which may come as early as mid January. The NPRM will provide a 90-120 day public comment period to allow interested parties to comment on the proposed rule and to make constructive suggestions toward improving the regulation. Once the rule is published AMA will be providing suggestions and guidance for responding to the NPRM. This will be your opportunity to weigh in on the issue. It is also very likely the AMA will organize a parallel congressional campaign to once again draw attention to our concerns.

It's extremely important that we start gearing up for the NPRM and are prepared to respond to the public notice once the proposed rule is published. In preparing for our response this would be a great time to start garnering the support of your families, friends, your community, schools, charitable/fraternal organizations and anyone else who has an interest in

model aviation. Once the NPRM is published we will need to respond in substantial numbers to make sure our voice is heard and we'll need all the help we can get.
