April Meeting

Club members were blessed with clear skies and beautiful weather for the first outdoor meeting of the year. Few members were flying as the wind was up a little. None the less.. the weather has broken for the flying season.

Our esteemed leader had to talk over the spring frogs making their mating calls, otherwise known as the Holbrook “come home” call. It worked! The first thing I noticed was the camper back at Bird.

Bill provided a detailed Treasurers report explaining that the club is on course to make the needed payments in order to remain a viable club.

The field report consisted of discussions concerning the road. The club is still weighing options for future repairs. More details to follow on

that issue in the near future.

Members are needed to come to the field on Saturday mornings to assist in mowing and trimming of the field and surrounding areas.

There is a trailer with trash that needs to be hauled out and dumped. Remember volunteerism is contagious, and as a member you should be helping the club with sweat equity if you are capable.

Member News

The club voted in new members John Hill, Tim Brink and Warren Shakespeare. Welcome to the club.

Members Bob Vick and Bob Lawrence have both soloed on Glow Planes. Congratulations to you both. GOOD FLYN’

AMA

Everyone should have renewed their AMA membership. If not, please renew as soon as possible. You must be an AMA member in good standing in order to fly at Bird Field.

Membership Raffle

The membership raffle prize (\$90) was won by Dave Schoff. The club realized \$29 from the raffle. The raffle will start over and it will grow as members buy into it. For those unsure how it works: You contribute \$1 at the meeting and put your name in the book for that evening’s drawing. Everyone in the club is in the raffle “hat.” A name is drawn, from the “hat.” If it’s your name and you have your name in the book for that meeting, you win 80% of the pot. If the person drawn isn’t at the

meeting or did not contribute the \$1 for that meeting, the pot is held over till the next meeting and continues to grow.

April Raffle:
