November 2011

## October Meeting

The October meeting was presided over by VP **Eric Larson** as our esteemed leader was not able to attend.

**Eric** opened the meeting with the sad news of a longtime member passing, **Paul Wilcox**. He passed away on Oct 14 from Pancreatic Cancer. He was a staple at the field and will surely be missed.

**Paul** willed **Gary Likens** and **J.R. Senez** his planes and accessories. **Gary** put together a hasty auction at the meeting. Together with **Boh Oktavec** and **J.R.**, they

collected \$762 which was donated to **Marie Wilcox**, who was greatly moved.

**J.R. Senez** put together a great video tribute to **Paul** for the membership to watch. The presentation was very moving and spoke to the brotherhood our hobby/habit that gaps generations. I tip my hat to you **J.R.**

Our Bird Field building now has a new roof and stove pipe. **Bob Sauer** led the construction party made up of:

**Rob Horlacher**

**Rob Pope**

**Chopper Bob**

**John Coffee**

**Gary Wadsworth**

**Eric Larson**

Plus the supervisors:

**John Holbrook, Gary Likens,**

**Bill Sheppard** and **Bill**

**Polhamus**. [You know what supervisors do.]

Thanks go to all that helped install the new upgrades.

**Earl** is holding our Pearl Harbor Day event on Saturday, 12/3/11, with a rain

date of 12/4/11. Combat demonstrations, racing demos and possible bomb drop event.

Look for updates at the next meeting.

**Eric** reminded the membership of the Christmas Raffle for a .60 sized Liberty Sport. Tickets are \$2.00 a piece or 6 for \$5. The plane was built by master builder, **Loren “Crash” Baker**. It looks great and is worth taking a few shots at.

Smokers are reminded that there is to be no smoking on the school property. Please put them out before you pull into the access road.

Volunteers are still needed to help out at the field. So if you can come out and help on the weekends, please do.

## Member News

There are a few pilots getting together to fly at night at the field. Its fun and gets you flying something different.

### A Word on Dues

They aren't due anytime soon, but a number of members like to pay their dues when they re-new their AMA. **Those paying by the March 2012 meeting will automatically be entered into a \$200 raffle.** The prize will be your choice of RC items around the \$200 figure.

For dues see **Bill Polhamus** at the meeting or mail a check with **Self Addressed Stamped Envelope** to Bill at 8 Ranger Ct. Baltimore MD 21234  
Dues -\$50  
61 years or over -\$40  
65 years or over -\$20 (after 5 years of membership).

### AMA

Since we are in November that means a slowdown in traffic to Bird Field, but don't forget that it's almost time to renew all of our AMA membership.

## Membership Raffle

The membership raffle prize was **\$152** and the name that was pulled was **J.R. Broderick**. **J.R.** decided to put the money into the contributions for **Mrs. Wilcox**. [NICE!! [Bill P]

For those unsure how it works: You contribute \$1 at the meeting and put your name in the book for that evening's drawing. Everyone in the club is in the raffle "hat." A name is drawn, from the "hat." If it's your name and you have your name in the book for that meeting, you win 80% of the pot. If the person drawn isn't at the meeting or did not contribute the \$1 for that meeting, the pot is held over till the next meeting and continues to grow.

### October Raffle:

**NO RAFFLE WAS HELD**

### November Raffle

Electrifly YAK 54

**\$2 each or 6 for \$5  
See CEJ for tickets**

## DON'T FORGET !!

We still have the **.60 SIZE LIBERTY SPORT FOR DECEMBER RAFFLE**. It was built from a SIG kit. It has **57" wing span**, can be set up as electric or glow **.45 to .60cc size engines**. Metal geared wing servos and push rods installed. **Building plans and instruction book is included.** Buy tickets for this at **this meeting. Don't wait till December.... You DO NOT need to be present to win. Same bat price, same bat time.**

## Something that needs mentioning

**Illegal activity at the field will not be ignored or condoned by the club Board of Directors. If you need to do illegal acts, do them before you enter the driveway or after you leave. We will not allow anyone to drag this club down by ignoring illegal activity. Ask Joe Paterno how that works out .....**

**QUESTION: Is the field going to the dogs? I was told that one day last week, there were 7 dogs running around. I know how precious pets are to their owners, but let's keep them under control. How many times have you seen dogs go at newcomers, barking their brains out? And what doesn't need to be said is, "Are you policing the the area for droppings?" It is wearisome when you have to watch where you walk "ALL THE TIME." Does the leash rule need to be in effect when the number of dogs gets to be over a certain number? We've had problems in the past with members and dogs. Do we want to have them again? Maybe a discussion at the meeting is needed.**  
[Bill P]

**Winter Indoor Flying**  
Randy Kleinert has unofficially taken on the role as liaison with the Honeygo Rec Center and has been advising Bill P of the dates open

for flying. Lately it's been on Sundays between 1:30 and 4:30PM. Bill P sends emails confirming the date and times.

**Honeygo Rec Center** is located at 9033 Honeygo Blvd. It's about a mile north of White Marsh Blvd (Rt 43) and traveling north, it's on the right.

**Will Rogers on growing older:**

- 1) Eventually you will reach a point when you stop lying about your age and start bragging about it.
- 2) The older we get, the fewer things seem worth waiting in line for.
- 3) Some people try to turn back their odometers. Not me; I want people to know 'why' I look this way. I've traveled a long way, and some of the roads weren't paved.
- 4) When you are dissatisfied and would like to go back to youth, think of Algebra.
- 5) You know you are getting old when everything either dries up or leaks.
- 6) I don't know how I got over the hill without getting to the top.
- 7) One of the many things no one tells you about aging is that it's such a nice change from being young.
- 8) One must wait until evening to see how splendid the day has been.
- 9) Being young is beautiful, but being old is comfortable.
- 10) Long ago, when men cursed and beat the ground with sticks, it was called

witchcraft.  
Today it's called golf.

And, finally ~ If you don't learn to laugh at trouble, you won't have anything to laugh at when you're old.

**MIDDLE RIVER HOBBIES**

136 Carroll Island Road  
Middle River, MD 21220
