

Sunday Flyers E-News April 19, 2019
MEETING, this Saturday, April 20, Noon
**** BIRD FIELD ****

Bird Field Issues

- Kitchen roof. We have some funds to take care of this now. **John Coffey** to head the project. Let me know if you want to help.
 - Speed limit sign is back and in a new home.

Thanks to **Jimmy Laskaridis** for repairing and replacing the sign.

Old wood needs burned or removed to the woods. Good wood still needs stacked in new empty **Tony Maiese** wood rack

Field Report

We have 3 push mowers and 1 riding mower. All have new oil, gas and sharp blades. If you can help, **Mike Smith** is ready to train you on the riding mower or grab a push mower and do some trimming. All this generally happens on Thursdays. **Bill Cox** and **JR** are going to kill the weeds along the fence line and around the shed. **Thank you.**

When the runway is being cut, mowers have priority to the field. Do not fly.
