December Meeting Summary

Dues were changed for Social Membership from \$20 to \$25. Social Members can attend events and participate in the food offerings. They, however, can not fly or vote at meetings. This may be a good option for non-flying members that want to see the club continue to exist. This change was overlooked in the dues discussion voted on in the October meeting.

If you choose to continue your membership beyond May of 2019, here are the new dues:

Regular members - \$85
Senior over 61 years - \$75
Senior over 64 years - \$50
Social Member - \$25

Early Bird Dues: If you send your dues in by the March meeting, you will be in a drawing to win \$100.

Make check to "Sunday Flyers."

There are about 10 members that have let their AMA memberships lapse. Let's take care of that please.

As a reminder, new officers are:

President - Tony Maiese
Vice Pres - John Stump
Treasurer - Bill Polhamus
Safety Officer - Mike Smith
Rec Center Liaison - JR

Also voted on in the December meeting, we will be leaving the Dundalk Rec Program. It was necessary to be a member to secure a place to meet in a nearby Dundalk School. We haven't had to meet in a school for the last number of years. Also, we thought we had to be a member to secure Merritt Point Park for the Float Fly. Dundalk Rec President said anyone can reserve Merritt Point Park for an event. Furthermore, Baltimore County has demanded that Rec Programs run their funds through their books. We would have to turn over our funds to them and requisition money as needed.

So, we are drawing out our \$1000 and adding it to our Treasury and business as usual.

Bird Field Issues

Last year's field lease (\$2500) has been paid along with the \$300 for Spot-A-Pot.

Everything else still holding together under current austerity program. Kitchen roof needs replaced. We'll see what the Early Bird dues brings in.

Thanks to **John Coffey** for replacing 2 sections of the chimney pipe. Nice and warm in the club house.

After:

Thanks to **Tony Maiese** for donating wood and constructing another log rack and to **Eric Larson** for donating the cinder blocks:

Thanks to **Mike Smith** for connecting us to Maryland Public Television. I've sent our television spot to the AMA Recognition Program. That should earn us \$150 grant from the AMA. If you want another look, here it is:

No, me neither.

An elderly Irishman bought a sports car to recapture his youth and drove at 120mph. Then he saw a police car behind him, blue lights flashing. "I'm too old for this nonsense," he thought so he pulled over.

The police officer said, "Sir, my shift ends in 10 minutes. If you can give me good a reason why you were speeding, I'll let you go."

The old man said, "Years ago my wife ran off with a policeman. I thought you were bringing her back."

"That'll do," said the policeman.
