There are still 8 members that have let their AMA memberships lapse. Let's take care of that please.

As a reminder, the 2019/2020 officers are:

President - Tony Maiese
Vice Pres - John Stump
Treasurer - Bill Polhamus
Safety Officer - Mike Smith

We are officially out of the Dundalk Rec Program.

We received the \$1000 they have been holding for years. It has been added to our Treasury and business as usual. Thanks to **JR** for being our liaison for many years.

Bird Field Issues

- Kitchen roof needs replaced. We'll see what the Early Bird dues brings in.
- Speed limit sign was run over. We need to re-install a new sign.
- Wood still needs stacked in new empty wood rack

LIKE US on FACEBOOK ??

Mike Smith has been added to the Sunday Flyers Facebook site as an Administrator. However, the complexity of Facebook has us scratching around for answers. If you know how to get information out to those that “Like” us, please let me or Mike know. It appears we have 137 “likes.” But, when we post something, it doesn’t notify those who “liked” us. For those of you that aren’t up-to-date on Facebook, there is a “like” button you can hit on the page and it was my belief that when something is posted to the page, an email notification would be sent to those who tapped that button. Doesn’t appear to work. Looking for tech help...

Field Report

Mike Smith will soon be running out the lawn mowers. If you can help, Mike is ready to train you on the riding mower or grab a push mower and do some trimming. When the runway is being cut, mowers have priority to the field. **Do not fly.** We will need someone to spray grass killer along the fence lines. We no longer have any gas trimmers. **Let me know what you can do to help.**

A man went into a café and sat his six children at a table. A woman asked, 'Are all of those children yours?' 'No, I work for a condom company... these are customer complaints.'
