

Sunday Flyers E-News May 16, 2019
MEETING, this Saturday, May 20, Noon
**** BIRD FIELD ****

Bird Field Issues

- We have had to replace the flag twice since last meeting due to the winds. The current one has fiberglass reinforcement around the grommets.
- Mike Smith has donated a wind sock and the club is buying a pole to affix it.
- Old wood needs burned or removed to the woods. Good wood still needs stacked in new empty **Tony Maiese** wood rack

Field Report

Mike Smith is looking for a few Good Men. We will be cutting the pit area first thing Saturday morning. Need some help moving tables around. Mike wants to thank **Eric Larson** for being with him every Thursday ..faithfully. **But**, currently Eric has some sun sensitivity issues and needs help mowing around the edges that the riding mower can't get. **If we don't get someone to help during the week, we'll have to close the field on Saturday mornings until it gets done.** We are extremely lucky that Mike does what he does. Lawn mowing has long been a problem for our club.

Thanks to **Bill Cox** and **JR** for spraying along the fence and around the shed. Keeps us from buying new trimmers **Thank you.**

When the runway is being cut, mowers have priority to the field. Do not fly.

Last month's meeting:

John Stump proposed that we re-visit and include a “Model of the Month” prize in our meetings. The prize will be 50-50 Raffle tickets. Each plane will be rated as to its complexity and be rewarded tickets on a sliding scale. Details are still being worked out.

Rating each plane as to its complexity still needs to be worked out.

No 50-50 raffle or Membership Raffle.

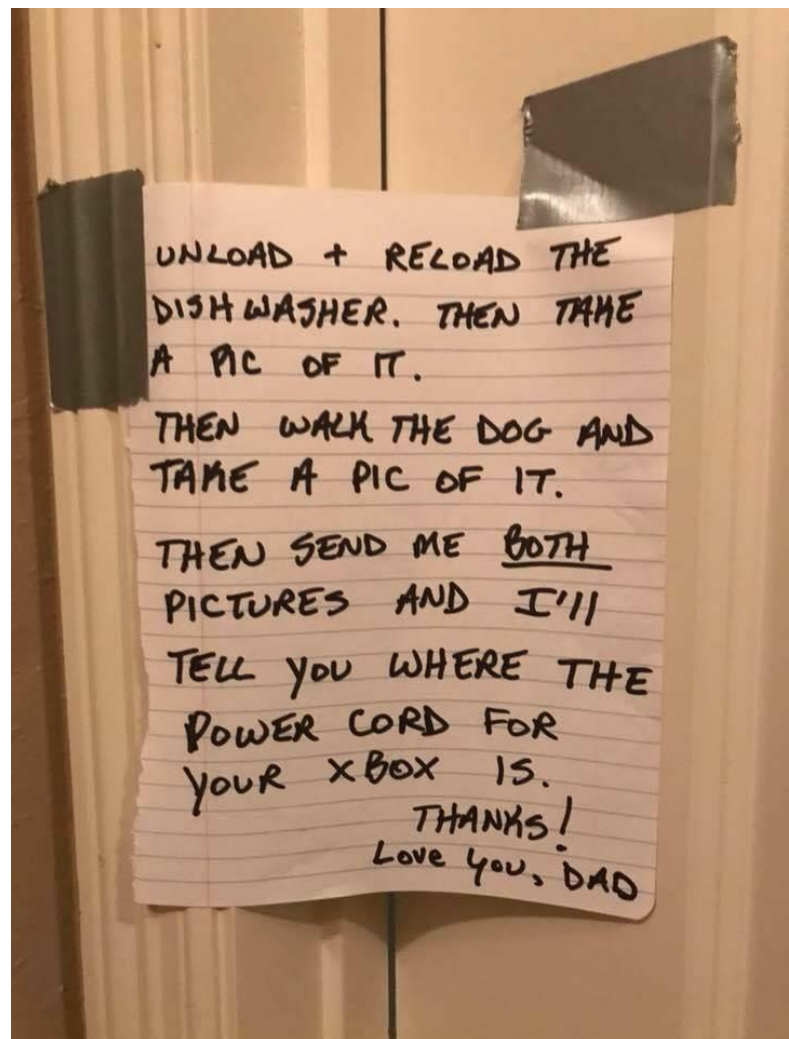

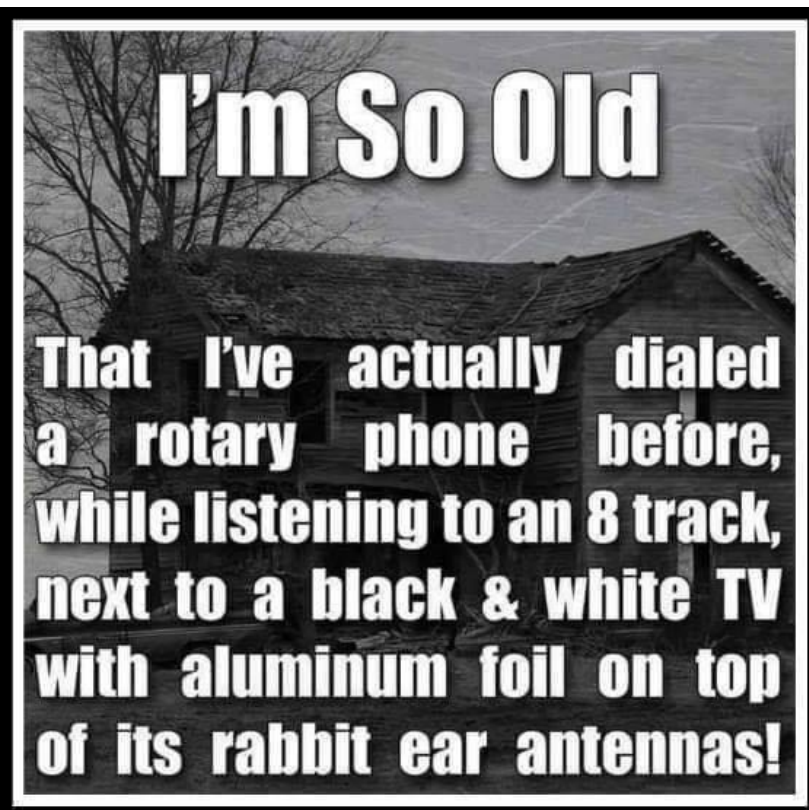

Mike Smith proposed another Flea Market at Bird Field on June 22.

Steve Bonn currently organizing annual Memorial Day Pot Luck lunch. Call him with what you will be bringing at 443-632-5176.

July 4th is up in the air. Anyone want to organize an event?

GONNA BE A BEAR

In this life I'm a woman. In my next life, I'd like to come back as a bear. When you're a bear, you get to hibernate. You do nothing but sleep for six months. I could deal with that.

Before you hibernate, you're supposed to eat yourself stupid. I could deal with that too.

When you're a girl bear, you birth your children (who are the size of walnuts) while you're sleeping and wake to partially grown, cute, cuddly cubs. I could definitely deal with that.

If you're mama bear, everyone knows you mean business. You swat anyone who bothers your cubs. If your cubs get out of line, you swat them too. I could deal with that.

If you're a bear, your mate EXPECTS you to wake up growling. He EXPECTS that you will have hairy legs and excess body fat.

Yup, gonna be a bear!

THE CREEK!

I have started coloring to manage my stress and anxiety.

• An elderly couple return to a Mercedes dealership to find the salesman had just sold the car they were interested in to a beautiful, leggy, busty blonde.

"I thought you said you would hold that car till we raised the \$75,000 asking price," said the man. "Yet I just heard you closed the deal for \$65,000 to that lovely young lady there. You insisted there could be no discount on this model."

"Well, what can I tell you? She had the ready cash, and just look at her, how could I resist?" replied the grinning salesman.

Just then the young woman approached the old folks and handed them the keys.

"There you go," she said. "I told you I could get this joker to drop the price."

"See you later, grandpa."

Never mess with the elderly!

Notice: If you go into the woods. Wear the orange vest.

It's in the plastic cabinet. Please put it on and, of course...return it.
