

Sunday Flyers E-News October 2020

MEETING, Meetings have been suspended
a/c Covid19
Not much going.

A few people are using the field in the afternoon and a few more on weekends. Field has been mowed and is ready to be used. Please stay out of the clubhouse unless you are alone. It only takes 2 to spread the virus. Make a thoughtful decision. Wear a mask. The virus is always on the attack.

- **The latest** report on spreading the virus points to small groups of people meeting as if they live in the same house. You guys don't live in the same house. I'm sure you are careful when you go into stores... masks in place and keeping your distance. That's why you don't hear about outbreaks coming from grocery stores or other shops. It's coming from small groups attending some function or relatives visiting relatives. I cannot stress this enough. Wear your mask, stay apart.

Bird Field Issues

- **Randy Kleinert** is not finding any love from AMA in offering to by Bird Field.
- **Mike Smith** winterized the lawn mowers and riding mower battery is with me. It will be charged once a month. If you need any grass cut in middle of runway, there are 2 mowers ready to go, one is self propelled.

- The wind from earlier this week (11 / 2) completely destroyed our canopy and had it's way with our flag. The canopy covering already had a tear and **Randy** took it down the day before the winds hit... but to no avail.

The Board decided to buy a ½ cord of wood and we are looking at getting a burn barrel for this Covid period of time. I am urging you not to start a fire in the clubhouse and stay a safe distance apart at the burn barrel.

Upcoming Events - Nothing -

Notice: If you go into the woods. Wear the orange vest.

It's in the plastic cabinet. Please put it on and, of course...return it.

TREE CLIMBER

Dave Novak - 410-574-4667

Fee: \$60 minimum. ****

**** May be more depending on distance traveled and complexity.

Last two tree rescues were \$70.

His name and number are also on our website home page.
