

Sunday Flyers E-News January 2021

MEETING, Meetings have been suspended
a/c Covid19

A few people are using the field in the afternoon and a few more on weekends. Field has been mowed and is ready to be used. Please stay out of the clubhouse unless you are alone. It only takes 2 to spread the virus. Make a thoughtful decision. Wear a mask. The virus is always on the attack.

Covid 19 vaccinations. Here's a link to get locations:
<https://coronavirus.maryland.gov/pages/vaccine>

Here's a link to "sign up" to be alerted when vaccine is available to you. Complete the form and submit it:
<https://www.umms.org/coronavirus/covid-vaccine/get-vaccine>

REMEMBER: Even after you get the vaccine, you are still able to pass it on.

We MUST...STILL FOLLOW THE RULES. Wash hands, wear a mask and socially distance.

All that said, we will need to get a second shot within 21 or 28 days depending on which vaccine you receive. If you can't take flu shots due to allergies, both vaccines have had some severe reactions. If you are allergic to the point of carrying an Epi Pen, take it with you and tell the administering person.
