

Sunday Flyers E-News April 2022

As of April 19, 2022

Not much new going on. We are still in a virus-rich environment. Please conduct yourself safely..

Field News

Mike Smith did the first mowing this week.

Runway is flight-ready.

I straightened up the make-shift safety fence. It has been sagging from a little too much overuse... wink wink. If you do fly into the fence, try and re-stabilize it as best you can.

Happy to report..NO cigarette butts were found on the ground. Congrats gentlemen and thank you.

Please.. Please don't turn the burn barrels into trash cans. **No one is going to empty them.** You are responsible to take your own trash home. Thanks. I took some accumulated trash with me when I left the field. When I got home, Mama was not happy.

The one ornery Richardson tractor driver drove on the runway.. again. It's becoming a Rite of Passage for the first planting of the season. **Mike Smith** approached the individual and got no response. **Mike** then went to another tractor driver and made the same request diplomatically to stay off the runway. He leaves ample high grass for the tractor to make the turn. This was met with the comment, "I told him to stay off the grass, but he won't listen, you go tell him." However, a few moments later, 4 of the help came onto the field and stomped down the tractor marks. It was approaching lunch time and the club bought donuts for the workers as a thank you. They were appreciative.

Club Dues

Now is the time to think about re-upping. They are not due until May 15, 2022, but why wait? Our founders moved the date away from end of year holidays, so it wouldn't coincide with year end expenses.

Senior over 61 years - \$75
Senior over 64 years - \$50
Social Member - \$25 (non flyer)

In addition to above fee is a New Member – \$40 initiation fee (which is currently being waived).
